WHEREAS, ALCOSAN entered into a Consent Decree (the “Consent Decree”) with the United States Environmental Protection Agency (the “EPA”), the Pennsylvania Department of Environmental Protection (the “DEP”) and the Allegheny County Health Department (the “ACHD”), which was approved by the United States District Court for the Western District of Pennsylvania on January 23, 2008; and

WHEREAS, the Consent Decree requires ALCOSAN to eliminate dry weather discharges and sanitary sewer overflows from its system, reduce combined sewer overflows from its system in accordance with the EPA’s combined sewer overflow policy, and build adequate sewer infrastructure to achieve these goals; and

WHEREAS, ALCOSAN must prepare a regional long-term wet weather control plan (the “Wet Weather Plan”) that identifies remedial controls and activities needed to comply with the Consent Decree requirements; and

WHEREAS, the Authority entered into a Consent Order and Agreement (the “Consent Order”) with the Allegheny County Health Department on September 23, 2021 imposing on the Authority certain obligations with respect to its sewer system that are consistent with and in furtherance of the purposes of the Wet Weather Plan; and

WHEREAS, the Board of the Authority has determined that fulfillment of the Wet Weather Plan and satisfaction of certain aspects of the Consent Order can be most efficiently undertaken if the Assets are owned and operated by ALCOSAN; and

WHEREAS, the Authority desires to transfer the Assets to ALCOSAN pursuant to the terms of a Transfer Agreement and certain related documents, instruments and agreements (collectively, and together with the Schedules and Exhibits attached thereto, the “Transfer Agreement”).

NOW, THEREFORE, the Board of the Authority hereby resolves as follows, incorporating the above recitals by reference:

Section 1. The Board of the Authority hereby approves the Transfer Agreement as presented and authorizes the officers of the Board to make such further revisions thereto as such officers determine to be in the best interests of the Authority and acceptable to ALCOSAN, consistent with the intent and purposes of this Resolution.
