**SEWER RATE MODIFICATION NOTICE**

**GO TO [WWW.MATSF.NET](http://WWW.MATSF.NET) TO SEE IF YOU QUALIFY FOR FINANCIAL ASSISTANCE FOR YOUR SEWER BILL AS PART OF ALCOSAN'S CLEAN WATER FUND**

**AUTHORITY OFFICE HOURS:**

Monday through Friday 8:00 a.m. – 4:30 p.m.

Your monthly sewage bill consists of a basic service charge and a consumption charge based on water use. **For 2022, the basic monthly service charge will continue to be \$12.00. The MATSF service charge is billed to all customers regardless of water use and is primarily utilized for fixed costs such as debt service (repayment of loans), insurance, billing and similar costs. Commencing with your next (February) bill, the consumption charge will increase from \$12.85/thousand gallons to \$13.25/thousand gallons. This is directly a result of ALCOSAN's 2022 rate increase as discussed in detail in the MATSF 2022 budget. However, the MATSF Board, through sustained cost control efforts in conjunction with management and staff, has elected to pass only a portion of the ALCOSAN 2022 increase to customers.** The entire 2022 MATSF budget is viewable on our website. A typical residential customer using 4,000 gallons of water/month will see an increase of \$1.60 per month, from \$63.40 to \$65.00. The 2015-2022 graphics below depict the portion of sewer charges that are retained by MATSF, and the amount that is paid to ALCOSAN for regional sewage conveyance and treatment. **For the typical residential customer in 2022, ALCOSAN will receive \$45.74 (70.3%) of the \$65.00.**
